

HIP HOP IMPROV COMEDY

Off the cuff and always fresh, North Coast is a team of improv comedy veterans and internationally-ranked beatboxers who share more than 20 years of combined experience performing at the best theaters in New York, Boston and across the country.

North Coast not only creates hilarious scenes on the spot, but effortlessly drops high-energy musical verses throughout the show using whatever topic you throw at them.

It's an improvised hip hop comedy musical - *and it's like nothing you've ever seen before.*
